

SIERRA ELEMENT ROLLING THUNDER DRILL

Place your target out 100 yards. Start at the standing position. Your weapon will be loaded with a magazine of 1 round in the chamber. The time stops when your last round is fired. You only rate a score if all the shots are in the circle.

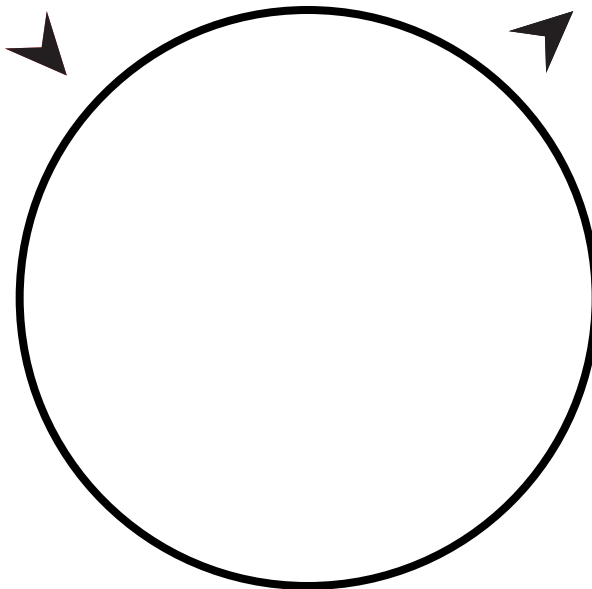

- On the timer drop down to the prone position and engage target ONE with 1 round.
- Speed reload with a magazine of 2 rounds and engage target TWO with 2 rounds.
- Speed reload with a magazine of 3 rounds and engage target THREE with 3 rounds.
